

Spring Barley Varieties

Malting/Distilling Varieties

- Concerto - still >50% of malt area
- Laureate – had a good year in 2017 with increase area sown in 2018
- Sassy – Full IBD approval distilling
- Sienna – Full IBD approval distilling but with better straw strength and brackling resistance

Malt/Distilling

Mildew	8	9	8
Rhyncho	5	6	8
Ramularia	6	7	7

Feed/Brewing

Not a significant brewing intake in Scotland

- Propino – full IBD approval
- RGT Planet – full IBD approval
- KWS Irina - full IBD approval

- Waggon – becoming outclassed
- Scholar – good on exposed site
- Hacker – high treated yield, more straw and slightly earlier

Feed/Brewing
